

Balanced Defensive

The Balanced Defensive Portfolio

The Balanced Defensive Portfolio is aimed at medium to long-term investors who are seeking a sustainable level of income within a balanced portfolio along with a genuine prospect of income and capital growth.

The chosen investment funds can invest in money markets, commercial property, UK and overseas equities and fixed interest securities. They are actively managed by leading fund managers to maximize total return whilst maintaining control of risk.

The Balanced Defensive Portfolio performance is benchmarked against the average performance of the IMA Mixed Investment 40-85% sector and has a risk rating and investor profile of 4 out of 10.

Performance figures to last price date

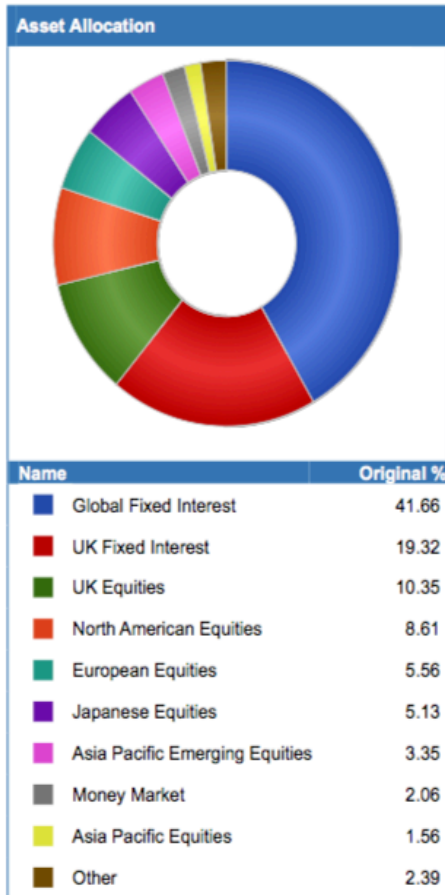

Portfolio Expense - The portfolio expense is calculated using the weighted value of the OCF of the portfolio constituents. Where the OCF is not available the TER is used.

Please note: Historic yield figures will only be provided for funds with at least 12 months of performance history.

Please remember that the value of your investment may fall as well as rise and is not guaranteed. You may not get back your initial investment. Past performance is not an indicator of future performance.
